CC Docket No 02-6 (Schools and Libraries)

Type of request: WAIVER of October Internet service, invoice submission due date

FCC: Form 471 Submission of 2016-17 internet service contract invoice

APPLICATION NICKNAME: OSCIIINTERNET2016

To Whom it may concern:

I am contacting you in regards to FCC: form 471. The invoices were due at the end of October of 2016. I missed that due date and am not currently able to submit the invoices for reimbursement of funds for our internet service for the school year 2016-17.

Oskaloosa Christian School has been in a transition of administration. We hired a new principal, and our former has moved several states away. I was commissioned to take the lead on our ERate filing process and it has been a rigorous learning curve.

I am submitting this letter as a request for waiver of the specified due date. This reimbursement is important to Oskaloosa Christian School. The total reimbursement is for \$1,440 which is a considerable amount for us.

I hope I have submitted all needed information, if you have any further questions please let me know.

Regards,

Mr. Marty J. Roberts
